5. No building shall be erected on any of said lots unless the design and location is in harmony with existing structures and locations in the tract and does not violate any protective covenants. In any case, no dwelling shall be permitted on any of said lots having finished above grade living area of less than 1500 square feet in the case of a one story structure and not less than 1800 square feet in the case of a 1½ or 2 story structure, and not less than 1300 square feet in the case of a split level.
6. The titleholder of each of said lots, vacant or improved, shall keep his/her lot or lots free of weeds and debris.
7. No noxious or offensive trade shall be carried on upon any of said lots nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood. Dogs are permitted but no more than two for any dwelling unit.
